ARCHITECTURE & INTERIOR DESIGN INTERNS

CSO Architecture · Interior Design

CSO is committed to developing talent within our industry. We are always interested in meeting people who share our values and represent a diverse collection of the finest, innovative minds.

Our goal is to foster growth and provide a great experience for our interns by challenging them with exposure to real-life projects. CSO is proud to have been recognized as one of the "Top Work Places" in Indiana.

Requirements:

- College students — currently enrolled and completed at least one year
- Working toward Bachelor's degree in Architecture or Interior Design
- Strong conceptual, communication, and organizational skills
- Strong user of Revit, AutoCAD, MS Office, SketchUp, and Photoshop

Apply using the online form on the Careers page of our website.
