

## INTERIOR DESIGNER

CSO is looking to expand our Interior Design Studio. This studio focuses on a variety of complex and rewarding projects, like: Butler University's Lacy School of Business, MJ Insurance's corporate headquarters, IJB Media's corporate headquarters, and the IU Health Bloomington Hospital. Candidates should have a passion for design excellence, deep understanding of documentation and detail execution, and an eagerness to capture a client's vision and communicate it through design.

CSO is committed to providing design and service excellence for the benefit of our clients, our people, our community, and our environment. Our people are our greatest asset, and we maintain a culture of mutual respect and support, offer opportunity for personal fulfillment, and provide an inclusive, collaborative, and stimulating workplace.

Our Mid-Level Interior Designer position is a full time (40+ hours per week) that includes full benefits that include:

- A competitive salary commensurate with experience
- Paid holidays
- Paid time off
- Bonus time off for the week of Christmas
- Health Insurance (medical, dental & vision)
- Health Savings Account company contributions
- Life insurance and AD&D
- Short- and long-term disability
- 401K with company contributions
- Student Debt Assistance
- Cafeteria Plan (Section 125)
- Professional licensure assistance
- Professional society reimbursement
- Remote/Work from home days
- Flexible work hours
- Comprehensive and ongoing training

### Responsibilities:

- Collaborate closely with design leaders from design concept through completed construction
- Full construction documentation and permitting, client and contractor communications
- Select and document complete FF&E packages
- Select and document finish palettes
- Conceptualize the unique design story of every client
- Prepare presentation graphics articulating the design and design process
- Maintain positive relationships and coordination with consultants, contractors, design partners, and colleagues through project completion
- Continue education growth and professional knowledge

### Requirements:

- Bachelor's Degree in Interior Design
- 3+ years of relevant commercial design experience
- Skilled in design presentations and graphics
- Proficiency in Revit, AutoCAD, Sketchup, Photoshop, Microsoft Office Suite, Illustrator
- Knowledge of design documentation and execution
- Solid knowledge of space planning and building code and standards
- Exceptional written and verbal communication skills
- LEED accreditation is a plus
